Buongiorno.

I reply to your message very late, but I'm back in the office only this week, after about three months of absence.

I'm sorry, but I cannot find trace of the request to which you refer.

If you believe appropriate, you can send it back, with a note of explanation.

Thank you.

Kind regards,

Giuseppe Origgi

Dear Mr. Origgi

I hope you have got my former email, where I asked you about the prices your library pays to the big publishers?

Best regards
